Dr. Becky J Foley, Superintendent  
 Jennifer Gulko, Principal  
 Charlie Mellon, Assistant Principal  
 Craig Sickles, Athletic Director

Counselors:  
 Dana Clark, Liz Peirce, Alexis Rog

## COMMUNITY

Freeport High School is focused on guiding students to explore and achieve their greatest potential across academics, athletics, and the arts in an environment emphasizing social awareness and compassion. Our graduates reflect this adventurous, inclusive and challenging spirit, and are engaged citizens with a sense of responsibility and community.

Our students benefit from their close-knit community and values. We are fortunate to be in a beautiful area of Maine and the home of L.L. Bean. We are an international tourism and retail powerhouse annually hosting over 400 times our resident population in visitors. Employment is plentiful in the service industry, and many of our students grow up developing the grit and determination that can be built by having a challenging job while also tuning their interpersonal skills with visitors to our community from all over the globe.

## SCHOOL

**Accreditation:** New England Association of Schools and Colleges

**Total Enrollment:** 590

**Total Senior class:** 153

**Special Education:** 10.9%

**Free and Reduced Lunch:** 21.4%

Our school is built from the communities of Pownal, Durham and Freeport, Maine. Freeport High School regularly scores in the top 10% of all Maine high schools on standardized tests, but we encourage our students to look beyond those numbers and create and embrace their own learning goals.

## CURRICULUM

Freeport High School is one of Maine's leaders in transitioning to a proficiency-based curriculum. We emphasize engagement and learning over seat-time and encourage students to explore their own directions, but do so in a manner that ensures a student masters the critical concepts outlined in Maine's Learning Results.

Freeport High School offers Advanced Placement (AP), Honors (H), and college preparatory level classes. As a function of the small size of our school and the scheduling challenges that sometimes presents, it is not possible for a student to take all the AP courses offered in any given year. However, all students are provided with laptops and have access to Virtual High School (VHS) and other online courses at all levels, including AP.

**\* Additional Courses are offered through:** Maine Region Ten Technical High School, Morse Street Early Pre-Apprenticeship, JMG (Jobs for Maine Graduates) PLATO, Virtual High School, Work Study, AP4ALL

## GRADUATION REQUIREMENTS

### 24 Credits Total

English	4
Math	4
