**RSU5 Board of Directors
Suggested Interim Goals**

1. Support enthusiastically and market effectively an FY'16 Budget that provides the resources necessary to improve the overall performance of RSU5 schools.
2. Establish and organize a Leadership Council comprised of representatives from each of the three RSU5 communities.
3. Begin an ongoing, and organized process to blur the lines among the RSU5 communities in order to ensure a true regional approach to the education of our students.
4. Improve communication between the RSU5 Board of Directors and its various publics.
