ADVISORY **HOW GRADE**	3		4
Preparedness	3		4
Respect	3		4
Engagement	3		4

The progress report is a quick snapshot of how a student is doing in all classes. If there is a grade lower than expected, please talk directly to the teacher. All summative assessments can be made up for at least two weeks after the assessment. Whenever a grade is lower than 3 or a grade you are not happy with you need to immediately make a plan with the teacher to improve the grade. The second trimester will end on March 21. One day will be added for each snow we have between now and 3/21.
