REQUEST FOR PROPOSAL High School Field Electrical Work

RSU No 5 is accepting bids for electrical work to Freeport High School Track and Turf field. 30 Holbrook St. Freeport Me. 04032. This work shall commence immediately once a suitable contractor is chosen and must be completed no later than March 15, 2019. Proposals shall be submitted in an envelope clearly marked Freeport High School Electrical Work no later than 10am on February 28, 2019 and returned to RSU No. 5, 17 West Street, Freeport, Maine, 04032

Scope of work:

The project consists of installing electrical wiring from the scoreboard located in the eastern end of the field to the bleacher press box and to the snack shack located on the southern side of the field. To provide 100 amps service to an outdoor rated panel box to be located at the bleacher support frame or suitable mount. Total wire run is approximately 800 feet from scoreboard to snack shack.

Contractor supplies 60 amps of power to snack shack from the 100 amp panel located at bleacher to an existing panel inside snack shack.

Priced separately: wire from panel located on bleacher support to provide 30 amps of power to existing panel located within the press box located at the top of the bleachers, approximately 30 feet +/- of wire. Copper wire shall be used in all work associated with this project.

RSU 5 will act as their own general contractor.

Timeline for performance:

Successful bidder agrees to perform the above work immediately upon receiving notice of successful bid and must be completed by no later than March 15, 2019.

The Owner reserves the right to waive all formalities and reject any and all proposals or to accept any proposal. Proposals shall be submitted upon the form provided.

At the discretion of the owner, the contractor may be required to furnish a 100% contract performance bond and a 100% contract payment bond to cover the execution of the work which shall be in conformity with the forms provided by RSU no. 5.

General Contractors, Sub Contractors, and all other interested parties shall meet with the Owners Representative to review each portion of the scope of work. Questions raised will be addressed through a written addendum if required.

No verbal representations or comments made by the owner or its representatives shall be used for bidding the contract. Only items contained in a written addendum (if any) shall be used for this purpose.

Mandatory Site Visit: at Freeport High School main entrance at 10a, February 14, 2019.

Operations Director will be made available during normal business hours to the general contractor, sub-contractors and or other interested parties. Please call to schedule a date and time with Dennis Ouellette at 207-865-0928 ext 2.
