Activity: FHS Mentor Program (2 positions)

Co-Advisors: Lisa Blier & Rebecca Peterson

Purpose:
Mentor Program Advisors (Blier and Peterson) are responsible for organizing the mentor program which welcomes freshmen to FHS in the fall and continues to support them throughout the school year. This program organizes approximately 100 upperclassmen each year to participate in the program. The ultimate goal of the program is to provide each incoming freshman, transfer student, AND foreign exchange student with an upperclassman support for the first day of school as well as a mentor for the remaining part of the school year.

Responsibilities of EACH Advisor/Coach:
- Solicit for mentors and screen for appropriate mentors out of the applicants (via teacher recommendations and meeting with administration).
- Communicate with students regarding acceptances or rejections—this entails follow-up meetings with students and sometimes meetings with parents.
- Plan, organize, and meet with the mentors for Freshman Day training prior to the beginning of the school year. This occurs in August—before school is in session.
- Schedule/organize the first freshman only day to include leading school tours, small group team building, club fair, and walking freshmen through their schedules.
- Communicate with guidance, administration, and families to ensure appropriate mentor matches for students with special needs.
- Support all students who transfer to FHS during the school year—regardless of grade level, we match students with mentors to foster a smooth transition.
- Plan and organize seasonal events throughout the year to best support our freshmen. This includes, but is not limited to:
  - Monthly mentor meetings during advisory
  - Monthly mentor leadership (mentor council) meetings
  - Yearlong: monthly Wednesday advisory activities in all freshman advisories
  - Yearlong: matching mentors with new students & following up with individual advisers re: how mentors are doing
  - Yearlong: Surveying 9th graders to see how the mentor program is working for them & analyzing the results with the mentors.
  - Fall: Halloween mentor/mentee scavenger hunt
  - Winter: Candy-cane grams
  - Mid year: Mid year "study kits" and exam tips
  - Spring: Ice-Cream social/thank-you activity and good-bye to seniors
  - Spring: Sending and reading applications for the following year (100+), reading staff surveys re: each applicant, following up with students if they are not accepted into the program, responding to parent emails if students do not get into program, meeting with the next year's staff before school gets out.
- ***New initiative—mentor tutors to support advisory callback program***
Length of activity/period of responsibility:
- Multiple meetings in the spring to go through mentor applications and teacher recommendations. If a student is not recommended to the program, we communicate with them individually to discuss their status.
- One day in the summer to prepare for mentor training day
- One day in the summer to conduct mentor training
- Monthly meetings with mentors to check in and discuss upcoming activities.
- Monthly meetings with mentor leadership to plan upcoming activities.
- Emailing students/parents/teachers-year round
