Strategic Communications Subcommittee Report

Committee: Strategic Communications
Meeting date: October 14, 2016
Chair: Candy deCspikes
Committee Members in attendance: Candy deCspikes, Becky Foley, Lindsay Sterling, Valy Steverlynck
Also in attendance: Naomi Liedbetter

Agenda Items and Discussion:

1. Talked about the final revisions to the Unity & Pride Survey
   It will be important to have the surveys readily accessible to everyone. Copies should be in places including
   the following: town halls, schools, libraries, town halls, Get-N-Go (Durham), Short Stop (Pownal), Edna &
   Lucy’s (Pownal).

   These copies could then be returned to the central office to be counted and have the results tabulated. The
   only required fields would be the name of the individual and the subgroup they represent.

   There could be an ad placed in the Tri-Town which would include where to pick up a paper survey and/or
   the link where they could fill it out online.

   The group decided to move the renaming question to the first question.

2. Discussed process for decision making around the exploration of the renaming of Freeport High School.
   Possible process could include the following:
   - Oct. 26th – presentation to the Board on the possible process to be utilized.
   - Post sample of the Unity/Pride Survey.
   - Board publicize workshop at 6:00 before the November 9th Board meeting. This would be for a
     question/answer session for the public and to receive community input about the renaming.
   - Send out the link to the survey, publish survey, and distribute to key places.
   - Official voting takes place Nov. 10 – Nov. 21st.
   - Board examines results at December 14th meeting.
   - Board discussion over the survey results.
   - Strategic Communications Subcommittee recommends going with the majority vote for the renaming
     only if Board feels the sample size of the voters is representative of the overall population.

3. There was discussion of the marketing of the survey, so that the public is aware of the issue. Marketing
   includes the following:
   - Tri-town article explaining (November) the Unity & Pride goal, and the reasoning of why the
     exploration of the renaming of the high school.
   - Place an ad in the Tri-Town Weekly the week of Nov. 8th and the week after.
   - School newsletters
   - Announcements at school
   - Town managers – request to advertise in their communications.
