BOARD OF DIRECTORS SELF-EVALUATION

Annually in August, Board members will complete a self-evaluation and submit to the Board Chair for compilation. The Board will review the compiled results at a meeting in August or September. The results will be used by the Board as part of it’s annual goal setting and planning for the year. Consistent with the Freedom of Access Act, the Board’s self-evaluation will be held in open session. The Board encourages all of its members to attend. The Superintendent is expected to participate in the process.

During self-evaluation, the Board will evaluate itself as a whole. The self-evaluation should emphasize areas of strength as well as those identified for improvement. Board members are encouraged to use the evaluation process as an opportunity to reflect on their own personal contributions.

The Board will select an evaluation instrument that includes a reasonable number of criteria or performance indicators by which to appraise the Board’s functioning and effectiveness. The areas to consider during the self-evaluation may include but are not limited to:

A. Board “visioning,” strategic planning, and long-range planning skills and processes;
B. Board meeting management, conduct, and decision-making processes;
C. Policy development and implementation;
D. Fiscal oversight and resource allocation;
E. Oversight of curriculum and instruction;
F. Monitoring of student achievement;
G. Board subcommittee structure, responsibilities, and processes;
H. Board member development;
I. New Board member orientation;
J. Board-Superintendent relations;
K. Board-community relations and communications;

A different instrument may be used from year to year, but must be agreed upon by a majority of the Board.
