CEEB Code: 200385

Dr. Becky J Foley, Superintendent
Jennifer Gulko, Principal
Charlie Mellon, Assistant Principal
Craig Sickels, Athletic Director

Counselors: Dana Clark, Liz Peirce,
Mandy Andreson

COMMUNITY

Freeport High School is focused on guiding students to explore and achieve their greatest potential across academics, athletics and the arts in an environment emphasizing social awareness and compassion. Our graduates reflect this adventurous, inclusive and challenging spirit, and are engaged citizens with a sense of responsibility and community.

Our students benefit from their close-knit community and values. We are fortunate to be in a beautiful area of Maine and the home of L.L. Bean. We are an international tourism and retail powerhouse annually hosting over 400 times our resident population in visitors. Employment is plentiful in the service industry, and many of our students grow up developing the grit and determination that can be built by having a challenging job while also tuning their interpersonal skills with visitors to our community from all over the globe.

CURRICULUM

Freeport High School is one of Maine's leaders in transitioning to a proficiency-based curriculum. We emphasize engagement and learning over seat-time and encourage students to explore their own directions, but do so in a manner that ensures a student masters the critical concepts outlined in Maine's Learning Results.

Freeport High School offers Advanced Placement (AP), Honors (H), and college preparatory level classes. As a function of the small size of our school and the scheduling challenges that sometimes presents, it is not possible for a student to take all the AP courses offered in any given year.

*Additional Courses are offered through: Maine Region Ten Technical High School, Morse Street Early Pre-Apprenticeship, JMG (Jobs for Maine Graduates), Edmentum PLATO, Virtual High School, Work Study, AP4ME

COVID

During the 2019-2020 school year FHS shifted to remote instruction for our entire school population in March of 2020 due to the pandemic. Our philosophy on grading and support for students during the pandemic was to provide flexibility and compassion while monitoring academic progress. Classes were primarily asynchronous. Students had the choice to receive a numeric grade for Semester 2 or receive a "Covid-Pass." For students who were not able to pass the course due to a myriad of circumstances, transcripts will reflect "NCC: No Credit-Covid." Students were also given the option to attend summer school to complete their classes.

During the 2020-2021 school year we followed a hybrid model where students received a combination of in person and online instruction (both synchronous and asynchronous). Some students opted for a fully remote schedule, which was customized using online platforms including VHS Learning, BYU High School Independent Study, Edmentum Plato, and AP4ME. Some of the remote students also participated in remote courses taught by RSU5 remote teachers and synchronous courses offered by FHS when available. We returned to 5 day in person instruction at the beginning of April 2021. Grading returned to the 0-100 scale for both academic and habits of work. Habits of Work scores continue to be calculated separately and are reflected on student transcripts.

SCHOOL

Accreditation: New England Association of Schools and Colleges

Total Enrollment: 602

Total Senior class: 161

Special Education: 12%

Free and Reduced Lunch: 16%

Our school is built from the communities of Pownal, Durham and Freeport, Maine. Freeport High School regularly scores in the top 10% of all Maine high schools on standardized tests, but we encourage our students to look beyond those numbers and create and embrace their own learning goals.

GRADUATION REQUIREMENTS

20 Credits Total

English	4
Math	4
Social Studies	3
Science and Technology	3
World Language	1
Visual and Performing Arts	1
Health	.5
Physical Education	1
Electives	2.5

HONORS COURSES
